

Forever Aloe Vera Gel®

715C

Imagine slicing open an aloe leaf and consuming the gel directly from the plant. Our Forever Aloe Vera Gel® is as close to the real thing as you can get! The first to receive certification by the International Aloe Science Council (IASC) for purity and potency, this nutrient rich drink is made from 99.7% pure inner-leaf gel and is sugar free, gluten free and contains no added preservatives. It's pure, powerful and packed with benefits.

Aloe vera helps you maintain natural energy levels and has natural cleansing abilities that help the digestive tract absorb nutrients from the foods we eat into the blood stream, while promoting friendly bacteria growth. The unique polysaccharide, acemannan, and other nutrients in aloe help to support the immune system. In fact, acemannan is one of the key markers used by the IASC to indicate quality aloe vera and Forever Aloe Vera Gel® has nearly double the amount required for certification!

Our aloe vera gel is carefully grown and hand filleted before being extracted and processed within hours of harvesting, ensuring the more than 8 million gallons of aloe vera gel we process each year is as fresh as we can make it.

Forever Aloe Vera Gel® is aseptically processed allowing the formula to remain free of added preservatives and boast an amazing 99.7% pure inner-leaf aloe vera gel. Packaged in Tetra Pak packaging made with 100% recyclable materials, Forever Aloe Vera Gel® ensures that you are able to enjoy the fresh taste of undiluted aloe vera gel with all of the potent properties of aloe just as nature intended.

USAGE

Shake well. Refrigerate after opening.
